

There is a number of specific works carried out within the Buller district area, which can only be undertaken by approved contractors.

This includes work such as plumbing and drainage for water, stormwater and sewerage, road construction and the installation of network services, such as telephone, electricity, TV etc.

Below is the current list of contractors who hold Council "Approved Contractor" status for these works.

Approved contractors have demonstrated that they meet Council's requirements for installation works, and applies only to work on roads/streets and road reserve areas that come under Council's jurisdiction.

- Category 1 Plumbing and drainage (water, stormwater and sewer)
- Category 2 Road construction
- Category 3 Network service (phone, electricity, TV etc)
