Community grant applications open

The Buller District Council is again calling for community grant applications from organizations and community groups in the Buller.

Community grants are available to help support the work of community groups and voluntary organizations providing community and social projects within the Buller district.

The total grants pool for 2008-2009 is \$40,000 which will be distributed in two rounds – September and March.

Applications for the first round of community grants for 2008-2009 need to be with Council by the 29th of August 2008.

Application forms and an information pack can be downloaded from the Council website at www.bullerdc.govt.nz, or contact our Customer Service team on (03) 788 9111.

Last year 25 projects received support from the community grants funds, totally \$44,260 of support for local projects.
